February 2008

*Visionaries  
for Tomorrow's  
Workforce*

***Our Vision**  
for Illinois is to have a  
state-wide "high quality,  
employer-driven,  
innovative, proactive  
workforce  
development system  
that supports  
economic development."*

**IWP** is committed to representing the voice of the local workforce development system, and representing the interests of boards and elected officials. IWP has created

a model workforce development system of public and private sector organizations working together to address the workforce needs of business and individuals. As we better understand the challenges of the new knowledge economy, it is apparent we must continue to focus on providing comprehensive workforce systems led by business, workforce boards and located elected officials.

IWP applauds the outstanding contributions and continued support of local business and labor organizations.
